

# ADOPT A ROOM

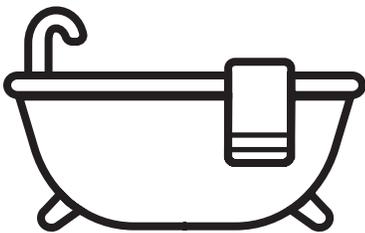

As our tenants begin to move into their new homes, they will need supplies to help them settle in! Most of these people will be exiting homelessness and are in need of the basic necessities for their new apartment. You can help our clients by adopting a room to turn their house into a home.

## UNIT SIZES

Adopted rooms are by unit size. Since our units range from studio apartments to 3 bedrooms, each household will have different needs! Once you adopt a room, a list will be provided for gathering supplies.

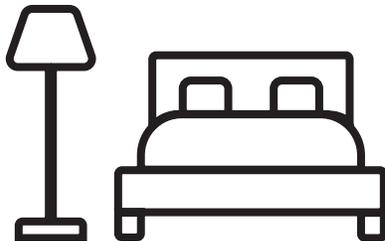

## TYPES OF ROOMS TO ADOPT

### BATHROOM

Provide items like bath towels, cleaning supplies, toothbrushes, haircare, etc.

### BEDROOM

Provide items like sheets, blankets, lamps, etc.

### KITCHEN

Provide items like cleaning supplies, silverware, cookware, etc.

To adopt a room, please email Jodie Fortune at [jfortune@ywcapiercecounty.org](mailto:jfortune@ywcapiercecounty.org) or call (253) 272-4181 x 249.

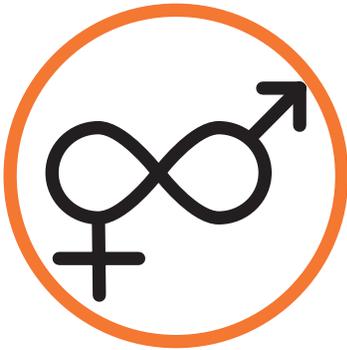

# ADOPT A ROOM

## TIPS

**All donated products must be new, unexpired, and unopened.**

### SCENTS

Please purchase scentless or gently scented products. Some people are sensitive to strongly scented products.

### GENDERED PRODUCTS

Our tenants and their families will exist throughout the gender spectrum! Try to avoid heavily gendered products and/or get a variety of gendered products.

### GIFTCARDS

Including a giftcard with your items is a great way to help our new tenants to buy additional items they need for their new home!

### RACIALLY APPROPRIATE PRODUCTS

Not everyone's skin and hair are the same! When buying for your adopted room, check out our Natural Haircare list or look up products to ensure that products are racially appropriate for the tenants you are collecting supplies for.
