Job Title: Maintenance Technician  
Reports To: Shelter Program Manager  
FLSA Status: Full-time, Non-exempt, Regular  
Department: Support Shelter/Operations  
Job Classification: 4 – Program Coordinator

SUMMARY  
The Maintenance Technician performs facility maintenance for the YWCA’s buildings, including residential spaces, program spaces, and administrative offices. This position is responsible for keeping facilities in operating condition and repair by collaborating with the Shelter Program Manager, Shelter Housekeeper, and Operations Manager to complete work orders, facilitate vendors, support workplace function and safety, and prepare living units in residential programs for occupancy. This position does not perform any direct social services to YWCA clients.

ESSENTIAL DUTIES AND RESPONSIBILITIES
• Maintains buildings by performing repairs and routine maintenance, minor plumbing, minor electrical wiring, and other related maintenance activities. Tasks may include but are not limited to such things as trim and finish work, drywall patching, minor appliance repairs, furniture repairs or assembly, mounting blinds or curtain hardware, painting, re-screening windows, removing refuse and similar maintenance functions.
• Turns over vacant shelter units, preparing them for new clients in cooperation with the Shelter Housekeeper and Shelter Program Manager, strictly adhering to standard procedures and safety protocols.
• Proactively engages in safe practices for maintenance activities, tool and equipment use, with a mindset of best practices in regard to workplace safety.
• Proactively inspects buildings and grounds for routine and preventative maintenance needs, compliance issues, and safety issues.
• Notifies management concerning need for major repairs or additions to lighting, heating, and ventilating equipment.
• Facilitates on-site presence of vendors as situations dictate.
• Cleans snow and debris from sidewalk; proactively uses de-icer in weather-indicated conditions.
• Maintains parking areas, walkways, and egress paths on YWCA properties (debris, security, signage, etc.).
• May mow grass, trim shrubbery, or cultivate flowers/plants in areas not covered by contracted landscaping service.
• Moves or assembles office furniture, moves equipment or stocks supplies, upon request.
• Sets up meeting rooms as requested.
• Transports debris to dump or recycling center as necessary.
• May participate in Safety Committee at supervisor’s request.
• Coordinates with supervisors to procure needed supplies or repair components, following the appropriate procedures.
• Picks up supplies and donations as needed for shelter or other programs.
• Maintains inventories and keeps workspaces in an organized, safe, and detailed manner.
• Implements and maintains appropriate professional boundaries when performing duties in occupied space, redirecting clients to direct service staff.

This is a general description of the responsibilities of the position; additional tasks may arise in the course of work that are related to this job description.
