# YWCA Pierce County Mission

YWCA Pierce County is dedicated to transforming lives through safety, healing, and empowerment through the lens of the national mission of eliminating racism and empowering women. While providing free comprehensive services, we work collaboratively with survivors of domestic violence and their children.

## Support our Mission: Partner with Us

*“I have met a lot of amazing people at the YWCA and I feel supported and cared for like I have never been ever in my life.” – YWCA Client*

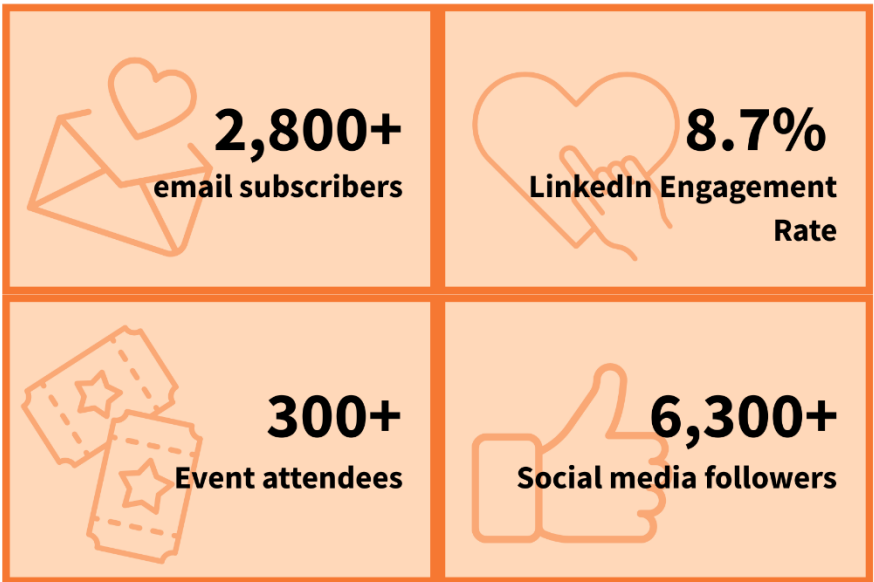

When generous individuals and businesses provide financial and in-kind support for our clients, the process of healing and empowerment becomes a reality for those who experience domestic violence. One way to be a part of that reality is by participating in one or both of the YWCA’s largest fundraising events, Lean into Purpose on October 7, 2025, and Glam that Gives on May 2, 2026.

**To help make these events successful, we want to form a partnership with you.**

We know you work hard to make meaningful connections in our community and would like to present you with a unique sponsorship opportunity. Companies or individuals can choose to sponsor either event separately or choose to sponsor both with an array of marketing opportunities and benefits at each level. **More detailed information is outlined on the Sponsorship Levels page.**

As a sponsor, your audience will see that you support our mission to undo the trauma experienced by our clients and replace it with the full support of our community.

Support survivors by sponsoring the YWCA's largest fundraiser of the year. The YWCA Pierce County's annual auction and dinner will be hosted on May 2, 2026. Raising an average of \$195,000 a year for domestic violence services, this event would not be possible without sponsors like you!
